

ATLANTIC HOCKEY FEDERATION

KRACH RATINGS

WEEK ENDING ON NOVEMBER 27TH

WHAT IS IT?

KRACH is a team's won/loss ratio multiplied by strength of schedule

WHY DO WE USE KRACH RATHER THAN POINTS?

1. AHF teams play an unbalanced schedule
 - a. Teams do not play all the teams in their respective division
 - b. Teams that play a more difficult schedule would be punished in the standings based on points
2. The AHF offers 2 season structures, full season and partial season.
 - a. Teams in an age division/classification will not play an equal number of games.
 - b. Using KRACH rather than points earned will balance this so teams playing fewer games are fairly measured within their division

DISCLAIMER: KRACH Ratings will fluctuate greatly early in the season. Some of the extreme numbers we expect to normalize as the season progresses.

In November we will break up each division into multiple subdivisions based on KRACH ratings

- a. The number of playoff sub divisions are based on the number of teams in the division. For the A divisions Gretzy and Lemieux divisions are considered separate divisions and will have their own playoff sub divisions

1. Less than 10 teams - 1 division(no subs)
 - a. Championship: Teams 1-4
2. 11-14 teams - 2 sub divisions
 - a. Championship: Teams 1-4
 - b. Gold: Teams 5-8
3. 15-26 teams - 3 sub divisions
 - a. Championship: Teams 1-4
 - b. Gold: Teams 5-8
 - c. Silver: Teams 9-12
4. 27+ teams - 4 sub divisions
 - a. Championship: Teams 1-4
 - b. Gold: Teams 5-8
 - c. Silver: Teams 9-12
 - d. Bronze: Teams 13-16

ATLANTIC HOCKEY FEDERATION DIVISION STRUCTURE AND PLAYOFF ELIGIBILITY

Intent: The Atlantic Hockey Federation's goal is to create competitive balance for all of our teams while giving as many teams as possible a chance to play for a championship at the end of the season.

What you should expect:

1. At the beginning of the season, all teams will be in 1 division at respective level (i.e. 16AA)
2. While there will be no subdivisions (Gold and Silver), teams will be scheduled against teams of a similar level with the intent of making as many games competitive as possible.
3. At the beginning of the season, the standings page will be sorted alphabetically.
4. In mid-October, we will begin posting the rankings as determined by KRACH ratings.
 - a. We wait until for at least 6 games played for the ratings to be reasonably clear
5. In November we will break up each division into multiple subdivisions based on KRACH ratings.
 - a. The number of Subdivisions is based on the size of the divisions (A1/A2 treated separately).
 - b. Top 4 teams in each division make the playoffs for the division.
 - i. Less than 10 teams - 1 divisions (no subdivisions)
 1. Teams ranked 1-4 play in the Championship
 - ii. 11-14 Teams- 2 Subdivisions
 1. Teams ranked 5-8 play in the Gold
 - iii. 15-26 teams: 3 Subdivisions
 1. Teams ranked 9-12 play in the Silver
 - iv. 27+ Teams: 4 Subdivisions
 1. Teams ranked 13-16 play in the Bronze
6. Teams will change their subdivision until the final regular season game is played

KRACH

What is it? - KRACH is a team's win/loss ratio multiplied by strength of schedule

Why do we use KRACH rather than points? :

1. AHF teams play an unbalanced schedule
 - a. Teams do not play all the teams in their respective division
 - b. Teams that play a more difficult schedule would be punished in the standings based on points
2. The AHF offers 2 season structures, full season and partial season.
 - a. Teams in an age division/classification will not play an equal number of games.
 - b. Using KRACH rather than points earned will balance this so teams playing fewer games are fairly measured within their division

FAQs:

1. **Why not offer subdivisions from the beginning?** We feel the best and most accurate time to break up our divisions will be after some games have been played which will give us a better read on where a team fits.
2. **How will games be competitive if my team has to play all of the teams in the division?**
We build your unbalanced schedule with the intent of the most competitive matchups based on
 - a. Geography
 - b. Organizational assessment of team's competitive level
 - c. Review of analytics and data from parity games
 - d. We prioritize competition over travel for older teams and for AA teams and we prioritize limiting travel for B and A teams and younger ages
