# ATLANTIC HOCKEY FEDERATION

## DIVISION STRUCTURE AND PLAYOFF ELIGIBILITY

**Intent:** The Atlantic Hockey Federation's goal is to create competitive balance for all of our teams while giving as many teams as possible a chance to play for a championship at the end of the season.

### What you should expect:

1. At the beginning of the season, all teams will be in 1 division for your respective level (i.e. 10U A or 16U AA)
2. While there will be no subdivisions (Gold and Silver), teams will be scheduled against teams of a similar level with the intent of making as many games competitive as possible.
3. At the beginning of the season, the standings page will be sorted alphabetically.
4. In mid-October, we will begin posting the rankings as determined by KRACH ratings.
  - a. We wait until October as we need data from at least 6 games played for the result to be reasonably clear
5. In November we will break up each division into multiple subdivisions based on KRACH ratings.
  - a. The number of subdivisions will be based on the size of the division.
  - b. The subdivision may change week to week as KRACH ratings change.
  - c. Your subdivision will be the teams you will compete with for a playoff spot and eventually a championship.
  - d. 40% of teams in a division will make the playoffs.
  - e. Subdivisions will be finalized in January.

### KRACH

**What is it?** - KRACH is a team's win/loss ratio multiplied by strength of schedule

### Why do we use KRACH rather than points?:

1. AHF teams play an unbalanced schedule
  - a. Teams do not play all the teams in their respective division
  - b. Teams that play a more difficult schedule would be punished in the standings based on points
2. The AHF offers 2 season structures, full season and partial season.
  - a. Teams in an age division/classification will not play an equal number of games.
  - b. Using KRACH rather than points earned will balance this so teams playing fewer games are fairly measured within their division
- The number of Subdivisions is based on the size of the divisions (A1/A2 treated separately).
- Top 4 teams in each division make the playoffs for the division.
  - Less than 10 teams - 1 divisions (no subdivisions)
    - Teams ranked 1-4 play in the Championship
  - 11-14 Teams- 2 Subdivisions
    - Teams ranked 5-8 play in the Gold
  - 15-26 teams: 3 Subdivisions
    - Teams ranked 9-12 play in the Silver
  - 27+ Teams: 4 Subdivisions
    - Teams ranked 13-16 play in the Bronze
- Teams will change their subdivision until the final regular season game is played
