 - i. Most points earned.
 - ii. Most total wins (whether in regulation, overtime and shootout).
 - iii. Most regulations wins.
 - iv. Differential — Subtracting goals against from goals for in these games, the positions being determined in order of the greatest surplus. A maximum goal differential of plus or minus eight (8) per game will be used in tie-breaking rules.
 1. Quotient — Dividing the goals for by the goals against in these games, the positions being determined in order of the greatest quotient. If a game has a goal differential of more than eight (8) goals, the goals for will be decreased until there is a maximum of eight (8) more than goals against in a given game prior to dividing (i.e. 10-1 game would use 9-1 for purposes of quotient). A quotient involving dividing by zero 35 (0) has higher standing than a quotient from dividing by any number other than zero (0). Where

- two or more teams have no goals against and the quotient tie-breaker is required, the teams shall be ranked high to low in descending order of “goals for.”
2. Most periods won — In the games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.
- v. If after applying the formulas of 1 a, b, c, d, e or f the tie still exists, the results of all the games played by the teams tied in the following order.
1. Most total wins (whether in regulation, overtime and shootout).
 2. Most regulations wins.
 3. Differential — Subtracting goals against from goals for in these games, the positions being determined in order of the greatest surplus. A maximum goal differential of plus or minus eight (8) per game will be used in tie-breaking rules.
 4. Quotient — Dividing the goals for by the goals against in these games, the positions being determined in order of the greatest quotient. If a game has a goal differential of more than eight (8) goals, the goals for will be decreased until there is a maximum of eight (8) more than goals against in a given game prior to dividing (i.e. 10-1 game would use 9-1 for purposes of quotient). A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tie-breaker is required, the teams shall be ranked high to low in descending order of “goals for.”
 5. Most periods won — In the games played by each tied team, points will be awarded for each 36 regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.
 6. Lowest number of penalty minutes — Calculate the number of penalty minutes accrued during all preliminary round games. The teams shall be ranked low to high in ascending order of “penalty minutes for.”
 7. Quickest first goal — The team that scored the quickest goal in their preliminary round games shall be ranked highest.
- vi. If the above procedure does not break the tie, the teams shall use a shootout procedure as previously described. NOTE: A team may go into the tie-breaking process having defeated another of the tied teams and still not advance. NOTE: If a team forfeits any of its games, and becomes involved in any tie-breaking formula, the team that forfeited will not advance and all games played against the forfeiting team shall be recorded as 1-0 victories for all opposing teams.

 - 1.1.3. 411 (c) Any **coach** who receives
 - second game misconduct **penalty** in the same season for a violation of Rule 601 shall automatically receive an additional three-game suspension.
 - 1.1.3.1. third game misconduct **penalty** in the same season for a violation of Rule 601 shall automatically be suspended from USA Hockey activities until a hearing is conducted by the Proper Authority.
 - 1.2. The Federations will work with USA Hockey to assess appropriate discipline in the situations of a Match Penalty following [USA Hockey's Standardized Discipline Policy](#) - Match Penalties
2. Game Misconduct Accumulation Policy
 - 2.1. The AHF will follow the following Game Misconduct Accumulation Policy for player's receiving 3 game misconducts or more in AHF games:
 - 2.1.1. Third game misconduct, the player shall receive an additional one (1) game suspension

- 2.1.2. Fourth game misconduct, the player shall receive an additional two (2) game suspension.
 - 2.1.3. Fifth game misconduct, the player shall be suspended until a hearing is conducted by the AHF Director of Officiating
- 2.2. These designated game suspensions shall be in addition to any other suspensions imposed through the official playing rules.
- 3. The Federations reserve the right to apply Supplemental Discipline as outlined in [USA Hockey Rule 410](#).
 - 3.1. There is no right to appeal a game misconduct, because this rule is considered to be part of the referee's game jurisdiction.
 - 3.2. The Federations shall look into any event that it deems a "detriment to player safety or the game." at the discretion of the commissioner or By by member (JH)
 - 3.2.1. The Federation reserves the right to review and investigate any report in regards to locker room, discrimination, parent behavior, coach related matters, etc.
 - 3.3. Supplemental discipline may be assessed under USA Hockey Rule 410, Supplementary Discipline, following a hearing. Has the ability to send to the appropriate affiliation for ratification.
 - 3.4. All hearings should have the following components.
 - 3.4.1. Adequate notice of the time and place of the hearing must be provided. This should be in writing. "Adequate notice" means giving a reasonable chance to prepare, including obtaining evidence or affidavits and getting the assistance of others.
 - 3.4.2. Notice of the charges or issues that will be considered and the possible discipline that may occur must be provided. This should also be in writing. It is the Association's responsibility to give prior notice of the allegations and the possible discipline. For example, absent an immediate threat to the safety of youth players, it would be improper to schedule a meeting to "discuss" a coach's conduct, and to then suspend the coach based on the "discussion."
 - 3.4.3. Where playing conduct is under review, the player or his parent must be provided with the information supporting the suspension, including a copy of the game scoresheet and any report submitted by the referees, as well as videotapes and written statements, or summaries of oral statements, to the extent those were relied upon in awarding or sustaining the penalty.
 - 3.4.4. The person or panel that is ruling on the matter must be impartial and they must not have previously made up their mind on a dispute. It is invalid for someone who is involved in the dispute to rule on a matter.
 - 3.4.5. The person who is the object of the hearing must have the right to hear all negative evidence and to present all favorable evidence. They must be permitted to have someone assist them or represent them.
 - 3.4.5.1. However, legal rules of evidence do not apply and they do not have unlimited time to present their case.

- 3.4.6. The decision resulting from the hearing shall be promptly conveyed and should be memorialized in writing.
 - 3.4.7. Appeals to AAHA within fourteen (14) days of the ruling by the league or club that is being appealed.
 - 3.4.8. The decision of the Discipline/Dispute Resolution Committee may be appealed to the AAHA Appeals Committee under certain restrictive rules.
4. The Federations receives unsolicited video during the season with a request that we consider supplemental discipline for an infraction that either went uncalled or, where the penalty assessed was not appropriate. Availability of higher quality video, and in the interest of ensuring the safety of our athletes, we are introducing a trial video review program.
- 4.1. The Federations will NOT use video review for the **purpose of changing** any on ice call, UNLESS the video clearly and unambiguously demonstrates MAJOR/GAME MISCONDUCT penalty assessments were made to the wrong player.
 - 4.1.1. Video must clearly show, without question, that the wrong player was identified and penalized by officials during the infraction.
 - 4.1.2. The Federations will only consider a review if the penalty assessed was a MAJOR/GAME MISCONDUCT.
 - 4.2. Video submitted for potential review by Federation, will only be accepted/considered if presented by a member Association's Hockey Director or President. (No individual or parent submissions will be accepted.) The following process shall be followed:
 - 4.2.1. Upon review by the Association, and determination that a request for further action is requested, the Association's Director of Hockey must complete the "Video Review Request" form.
 - 4.2.2. Completed form must be sent within 48 hours of the incident to vicepresident@Federationhockey.org. Form must be submitted with a \$150 check (\$250 check if the request is for review of a mis-identified player).
 - 4.2.3. If the video is accepted and supplemental disciplinary hearing is conducted, the check will be returned. If the video does NOT result in a hearing to determine additional discipline or correct player identification, the \$150/\$250 check will be considered a fine to the organization that submitted the video.)
 - 4.2.4. Upon receipt, the Referee in Chief will review and determine if the actions shown on video warrants further review.
 - 4.2.4.1. If it is determined that that event is of a Game Misconduct level, the video will be forwarded to the offending organization to be handled internally within the organization.
 - 4.2.4.2. If it is determined that the event is of a Match Penalty level, then the event proceeds to a review process.
 - 4.2.5. If further review is deemed warranted, a review process will be undertaken by a Video Review Committee (the "VR Committee").

- 4.2.6. The Video Review Committee will make a recommendation to the Federation Commissioner who will make the final determination on conducting a supplemental discipline hearing.
- 4.2.7. Supplemental Discipline will not be imposed until a hearing has been conducted with the player, coach or parent that is the subject of the request.
- 4.2.8. Discipline administered by Federation will be imposed immediately and the subject of supplemental discipline will retain all appeal rights as provided for in the Federation Rulebook and USA Hockey Bylaw 10. (Any discipline assessed will not be delayed while an appeal is in process.)

In instances where a participant receives a match penalty for the violation of rule 601 during an AHF showcase or non showcase game, the AHF Director of Officiating and the AHF Commissioner will work with the appropriate USA Hockey affiliate to conduct an investigation into the incident and the USA Hockey affiliate will enforce penalties outlined in rule 601.

11.0 Streaming and / or Recording of Games

It is illegal to video any games in the AHF. If a player, parent, family member or friend produce (or any other version of such) a video or livestream or any other broadcast production of an AHF event or game, the player can be immediately suspended or dismissed from the team, league or tournament for the remainder of the season with no refunds provided.

Release of Liability and Assumption of Risk Agreement

“READ BEFORE SIGNING INCLUDES ARBITRATION PROVISION IN BOLD BELOW”

It is the purpose of this agreement (the “Agreement”) to exempt, waive and relieve Operators (as defined below) from all forms of liability as a result of participation in events sponsored by Operators for any and all reasons including without limitation for personal injury, property damage, and wrongful death, including without limitation if caused by negligence, including the negligence, if any, of Operators. The Operators include Black Bear Sports Group, Inc, as well as any other affiliate league or tournament the Participant and/or Participant’s team participates in, including but not limited to the Atlantic Hockey Federation, the Atlantic Girls Hockey Federation, the Tier 1 Hockey Federation, Defender Hockey Tournaments, the National Girls Hockey League, The Show Tournaments, and any of their respective affiliates, officers, directors, managers, members, agents and employees (all referred to together as the “Operators”).

For Operator’s specific events which are sanctioned by USA Hockey, the participant (“Participant”) (and Participant’s parent(s)/guardian(s)) also certify and warrant to the Operators that the team manager or custodian of Participant’s team records has on file, written waivers from liability (USA Hockey or Hockey Canada Registration) for Participant participating in the Operators’ event(s). The Participant and/or guardian(s) understand that Operators shall rely upon the statements in this form in agreeing to accept the Participant’s participation in Operators’ event(s).

For and in consideration of the undersigned Participant’s registration with Operators, and being allowed to participate in Operators’ events and related activities, Participant (and the parent(s) or legal guardian(s) of Participant, if applicable) waive, release and relinquish any and all claims for liability and cause(s) of action, including, but not limited to, for personal injury, property damage or wrongful death occurring to Participant, arising out of participation in Operators’ events, the sport of ice hockey, and/or activities incidental thereto, whenever or however they occur and for such period said activities may continue, and by this agreement any such claims, rights, and causes of action that Participant (and Participant’s parent(s) or legal guardian(s), if applicable) may have are hereby waived, released and relinquished, and Participant (and parent(s)/guardian(s), if applicable) does(do) so on behalf of my/our and Participant’s heirs, executors, administrators and assigns.

Participant (and Participant’s parent(s)/guardian(s), if applicable) acknowledge, understand and assume all risks relating to ice hockey and understand that ice hockey activities involve risks to Participant’s person including bodily injury, partial or total disability, paralysis and death, and damages which may arise therefrom and that I/we have full knowledge of said risks. These risks and dangers may be caused by the negligence and/or willful misconduct of the Participant or the negligence and/or willful misconduct of others, including the Operators identified above. These risks and dangers include, but are not limited to, those arising from participating with bigger, faster and stronger participants, and these risks and dangers will increase if Participant participates in ice hockey activities in an age group above that which Participant

would normally participate in. I/We further acknowledge that there may be risks and dangers not known to us or not reasonably foreseeable at this time. Participant (and Participant's parent(s)/guardian(s), if applicable) acknowledge, understand and agree that all of the risks and dangers described throughout this Agreement, including those caused by the negligence of Participant and/or others, are included within the waiver, release and relinquishment described in the preceding paragraph. I/We acknowledge that all Participants are required to have and do have his/her own medical insurance coverage. I/We further agree and acknowledge that complete hockey equipment, including mandatory equipment required by both the Participant's team's home club and league's governing body is required to be worn during Operators' events and it is understood by the team that any Participant who does not possess the required equipment shall not be permitted to participate in any of Operators' activities. For Participants participating in USA Hockey sanctioned events, Participant (and Participant's parent(s)/guardian(s), if applicable) also agree that Participant is a member in good standing of USA Hockey, Inc. and is bound by all of USA Hockey, Inc.'s rules and regulations.

Participant (and Participant's parent(s)/guardian(s), if applicable) acknowledge, understand and assume the risks, if any, arising from the conditions and use of ice hockey rinks and related premises and acknowledge and understand that included within the scope of this waiver and release is any cause of action (including any cause of action based on negligence and or willful misconduct) arising from the performance, or failure to perform, maintenance, inspection, supervision or control of said areas and /or events and for the failure to warn of dangerous conditions existing at said rinks and/or events, for negligent selection of certain Operators, or negligent supervision or instruction by Operators. As further consideration for registration and participation in Operators' events and activities, Participant (and the parent(s) or legal guardian(s) of Participant, if applicable), hereby (1) consents and agrees that Operators, its licensees and designees and affiliates may make video and/or audio recordings of and/or otherwise film, photograph or memorialize some or all of Participant's participation in such events and activities, and (2) grants to Operators, its licensees, designees and affiliates, successors and assigns, a worldwide, perpetual, irrevocable, fully-paid, royalty-free, transferable and sublicensable right and license to use, copy and disseminate Participant's image and personal attributes, and to modify and present same in any form, manner and media, now known or hereafter devised, for any purpose whatsoever.

I/We willingly agree to comply with the stated and customary terms and conditions for participation in the Operators' events. If, however, I/We observe any unusual significant hazard during my presence or participation, I/We will remove myself from participation and bring such to the attention of the nearest official immediately.

Participant (and Participant's parent(s)/guardian(s), if applicable), agree if any third-party claim for Participant's personal injury or wrongful death is commenced against Operators, he/she shall defend, indemnify and save harmless Operators from any and all claims or causes of action by whomever or wherever made or presented for Participant's personal injuries, property damage or wrongful death.

Participant and Participant's parent(s)/guardian(s), if applicable), acknowledge that they have been provided and have read the above paragraphs and have not relied upon any representations of Operators, that they are fully advised of the potential dangers of ice hockey and understand these waivers and releases are necessary to allow amateur ice hockey to exist in its present form. Significant exclusions may apply to USA Hockey, Inc.'s insurance policies or Operators' insurance policies, which could affect any coverage you may have. For example, there is no liability coverage for claims of one player against another player, and Participant and Participant's parent(s)/guardian(s) waive any rights to make a claim against the Operators for this or any other reason.

I acknowledge that the novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. above-mentioned guidance and legal restrictions. The undersigned fully understands and acknowledges both the known and potential dangers of utilizing the/our facilities, services, and programs and acknowledge that use thereof by the undersigned and/or such participating children may, despite our reasonable best efforts to mitigate such dangers, result in exposure to communicable diseases, which could result in quarantine requirements, serious illness, disability, and/or death.

This Agreement may be executed by signatures transmitted via facsimile or electronic transmission, such as a "pdf" document transmitted through electronic mail or electronic agreement and acknowledgement on a website, which shall have the same force and effect as an original signature.
